

New Teaching DVD from Ludus Dance

A Special 2 Disc Set

Disc 1: Get Set and Dance!

- * Are you teaching dance for Key Stages 2, 3 or 4?
- * Need some new inspiration?
- * Do you need support getting started?

This new Ludus Dance workshop DVD can help you!

Whilst travelling the length and breadth of the UK our highly experienced dancers, have asked you what kind of resource you need to help with your dance teaching. You said you need more movement material and ideas, practically demonstrated, with hot teaching tips including some guidance on technical performance. **Get Set and Dance!** offers you that very thing in an easy to follow lay out that enables you to select for your Key Stage and/or refer to other Key Stages for more material and/or to see examples of progression.

Get Set and Dance! was created and devised by the Ludus Touring Dancer / Teachers. Packed full of ideas and energy this DVD will help kick start some creative ideas for you to teach dance whether experienced or just starting out...
